

IS YOUR IDENTITY SAFE?

Medical identity theft frequently results in erroneous entries being put into existing medical records, and can involve the creation of fictitious medical records in the victim's name.

Group Protection Plans

In search of a comprehensive identity theft protection to add to your existing benefits package?

Building on the core strengths of our personal identity theft protection - SOLUS delivers group plans for a variety of situations. Plans designed to deliver identity theft protection to groups of individuals, and their families, through existing business or organization channels. Likewise, these plans can be customized to deliver a specific level of protection or desired cost.

Read the [headlines](#) or watch the [news](#), the problem of identity theft is growing rapidly and like other personal risks - cannot be eliminated. Chances are the vast majority of your group's members don't understand their risk of becoming a victim. Furthermore, members of your group have already been victimized - some don't even know it yet.

Only a best-in-class solution will do - SOLUS Identity Theft Protection. Whether your goal is to provide protection for employees, associates, team-mates, customers, peers or donors - SOLUS can customize a Group Protection Plan to suit your needs.

Learn more about these plans by clicking the appropriate link(s) below. Otherwise, [learn more](#) about the key features of the SOLUS Identity Theft Protection.
